Welcome Autumn

Spring Valley Nature Club Program

Wednesday September 4, 2024, 6:00-8:30PM

Volunteer Events & Projects Update

Plan to join staff and fellow volunteers on **Wednesday, September 4, 6:00-8:30pm** at the Nature Center for socializing, snacks, and an update on our many autumn volunteer opportunities. The first half-hour will be for socializing, and the meeting will begin at 6:30pm. At 7:30pm, Frank Sladek from the Illinois Dept. of Natural Resources will present a program on the *Fishes of the Chicago Area*, discussing not just the many species found in area ponds, lakes and river, but also how management supports both conservation and recreational fishing. This free presentation is open to the public

The Raptors are coming! The Raptors are coming!

Wednesday October 2, 2024, 7:00-8:30PM

Presented by: Wings and Talons

The raptors come to our care after a rehabilitation process has determined that they are not releasable back to the wild, when we take them in and commit to their care for the rest of their natural lives. We volunteer our time for their care and at programs throughout the year at public events and at schools.

Wings and Talons is a 501(c)(3) non-profit that is staffed by all volunteers, who are dedicated to promoting awareness and conservation of raptors through educational programs. Bring your kids, they'll love it!

Light refreshments will be available after 6:30PM.

Spring Valley Update for September/October Newsleaf – 2024

Spring Valley's grounds and facilities will remain on 'summer' hours through October. We continue to offer a full schedule of family, youth, and adult programs.

- Spring Valley's grounds and walking trails are open for walkers every day from 8am-8pm.
- Additional parking at St. Matthew Catholic Church will be available throughout the summer months. The gate leading onto Heritage Farm's walking paths from St. Matthew will be opened each morning at 8am.
- The **Nature Center Museum** is open to visitors daily from 10am-6pm.
- **Volening Heritage Farm's** buildings are open Wednesday-Sunday from 10am-4pm. NOTE that due to renovation of the Visitor Center, the reception desk and Museum Shop have temporarily moved into the farmhouse. All parking for farm visitors is at St. Matthew Church during construction.
- **Bison's Bluff Nature Playground** will remain open daily from 10am-7:00pm during September and then from 10am-5:30pm during October. The nature playground will be closed whenever stormy or rainy weather occurs. Admission for all children ages 2-12 entering the nature playground is \$2 for residents or \$3 for non-residents. One hour play sessions and maximum capacities will be maintained by staff on busy days in order to ensure a quality play experience for all.
- Spring Valley has two picnic shelters available for private rental. These are located just east of the Nature Center parking lot and near Merkle Cabin. Requests for rentals need to be submitted at least two weeks in advance. Rates are based on residency.
- Volunteers continue to assist with outdoor conservation projects, garden and trail maintenance, youth summer camps, and with our events and programs. If you are willing and able to assist with projects, please contact Sarah Severson at saseverson@parkfun.com.

Spring Valley App

Staff maintains a site-use app for use on either Android or Apple smartphones. It features not only information on hours, site features, and facilities, but two guided tours that provide information on various natural history or historical topics as you walk the trails. The app is FREE and available from either the Google Play Store or Apple Store (simply type Spring Valley Nature Center into the search bar). It is also available as a web-app by going to www.springvalley.stqry.app.

Fall Events & Programs

NOTE: On-line pre-registration is required for many of the programs listed below, which have limited capacity; however most special events have walk-in registration. More information and on-line registration are available within the Park District's virtual **Program Guide** for autumn, found at www.parkfun.com. You can always call the Nature Center during business hours, and staff will be happy to assist you with registration.

Monarch Butterfly release programs will continue to take place daily behind the Nature Center, continuing through September 22. Release times (dependent on weather and availability of butterflies) are at 11:15am and 3:00pm. On September 22 from 2-4pm, volunteers will be hosting the **Adios Amigos** end-of-season event. This free event features not only the final butterfly releases of the year but kid's crafts and refreshments. No registration is required for either the daily releases or for the end-of-season event.

Autumn Harvest Festival – Sunday, Oct. 6, 12:00-4:00pm

Spring Valley's premier autumn historical event is back! In addition to demonstrations of 19th century farm life, such as apple cider pressing, apple butter making, food storage, and blacksmithing, there will be kid's pumpkin decorating, games, crafts, food, and live music. Everything takes place this year at either Heritage Farm or Merkle Cabin, with parking at the Nature Center and St. Matthew Church. Admission is \$5/person or \$20/family.

Tricks & Treats at Spring Valley – Saturday & Sunday, Oct. 26 & 27, 2:00-5:00pm

Put on your costume and join us for trick or treating in a fun, interactive way! Participants will sign up for a specific entry time and will follow a trail through Heritage Farm and adjacent forests, meeting strange characters and picking up treats along the way. Pre-registration is required for all trick-or-treaters (parents attend at no charge). All attendees must park at St. Matthew Church and check-in at Heritage Farm. Registration fee is \$5/resident or \$7/non-resident.

Coming Soon!!

Hog House to Smokehouse, Heritage Farm's authentic portrayal of traditional meat preparation, returns on November 10.

Spring Valley Holiday Craft Fair will return on November 30 & December 1 – the weekend after Thanksgiving! Plan to stop by to do some of your holiday shopping among the many hand-crafted items being displayed by our vendors. If you, or someone you know, creates hand-crafted items for sale at events, have them contact us ASAP for information on purchasing booth space.

Christmas in the Valley will take place on December 8 at Heritage Farm and Merkle Cabin!

Additional programs are being offered throughout the autumn months– visit the virtual **Autumn Program Guide** to learn more!

Congratulations to the 2024 Elsworth Meineke Award recipient Jay Johnson

Got your garden planted, now what?

This summer has been a real doozy!

The scorching hot days and occasional torrential rains have most of us wondering what's next? The main thing to remember is to **WATER!** Most of the time the ground is so hard and parched dry that even a deluge cannot penetrate the hardpan soil. So even if it has rained, you should check your soil around the veggie plantings. When you poke your finger into the ground it should be moist at least 1-2" down if not then you need to water! Don't forget to feed your plants with organic fertilizer is best. It is less apt to burn your plants if applied at recommended amounts. Remember the old saying fertilize Weekly, Weakly! Dumping a lot of fertilizer when your plants are stressed is worse than not feeding, **HYDRATE!**

When your plants start producing fruits, keep them picked as they ripen. Allowing them to stay on the plant encourages racoons, possums and squirrels to munch up your harvest. Remember, Fresh picked produce is best used fresh or find recipes for canned or refrigerator pickled veggies.

Please continue your loyalty to our cause, it is with support from our members and friends of Spring Valley that we can assist the Spring Valley Nature Center in its educational and environmental efforts to provide programs and benefits for the community. Thank you

1974 And Beyond

Spring Valley began as a dream by one of the founders of the Village of Schaumburg, Ellsworth Meineke. Early on he referred to it as “The Spring Valley Dream.” It was he who convinced the Schaumburg Park District and the Village of Schaumburg to work together to acquire and preserve land for Spring Valley. Ellsworth founded the Spring Valley Nature Club in 1974 as a not-for-profit service organization which provides volunteer and financial support for Spring Valley and promotes conservation, nature, and environmental education. The Club sponsors nature programs and teacher field trips, and members volunteer at festivals and fund raisers. We have been working hard since 1974. Won’t you join us?

These words reflect the dedication that the founders felt for the purpose of the Club and the love of the natural world around us. Since the Schaumburg Park District assumed the responsibility of recruiting volunteers, Nature Club’s purpose has evolved to share its love of Spring Valley by offering timely programs that reinforce a more wholesome lifestyle. We have initiated monthly educational programs that instill a comprehension of our ability to lessen our carbon footprint by reducing waste, recycling and reusing our valuable resources. Our monthly programs enlighten us to appreciate our environment and respect its fragile beauty.

We have lessened our impact on landfill waste by eliminating the mailing of our bimonthly News Leaf. We are encouraging members to attend educational programs which teach us the importance of the wildlife around us, the art of using our natural resources wisely and being more self-reliant by advising how to live a more wholesome lifestyle, grow and live more organically and become more self-sufficient.

With the kind donations and assistance from local merchants and organizations, we can exist more ecologically by shopping locally. Some of the wonderful supporters and contributors to the club have been, Roselle Ace Hardware discount coupon on purchases; Schaumburg Park District 1-day Fitness Pass; Platt Hill Nursery for their support and discount coupon at their garden centers; Holistic Art Studio discount coupon; Skincare by Carmela for their discount on services.

Our wonderful supporters have given us a way to lessen our footsteps by offering valued products and services at discounted prices while saving our energy dollars by reducing the number of miles we travel. Please support our supporters. With their help, we have been successful in raising additional funds to sponsor educational programming for our Club members, Spring Valley Volunteers, and school children and teachers from our community. We have supplied funds for books for Spring Valley’s Library and have sponsored various free to the public programs and events that the Nature Center has offered.

Thanks to you all, and especially our valued Members and Supporters of Spring Valley Nature Club!

Please take time to review all the wonderful benefits we are offering to our members with their Nature Club membership. Won’t you join us?

Spring Valley Nature Club is a 501(c)(3) non-profit organization, and contributions may be tax deductible. Check with your tax advisor.
